ACCESS STATEMENT FOR POSTON MILL PARK

Poston Mill Park strives to ensure that all visitors can enjoy the accommodation, facilities and surroundings within the park and we will be pleased to assist in any way we can during your stay or when booking.

We hope that this statement will help you when planning your visit.

Access by Public Transport

The nearest railway station is in Hereford (10 miles).

From the railway station to the bus stop for connecting services is a distance of approximately 600 metres.

There is a taxi rank immediately outside the station concourse. (The availability of taxis with mobility access would have to be checked.)

There is plenty of space for 'dropping off' visitors outside Reception.

The Hereford to Brecon bus service passes immediately outside the park and there is a bus stop adjacent, though, again, it would be necessary for customers to check the extent of accessibility afforded by the buses in service.

The approach from the road to Reception is well surfaced but slopes downwards fairly steeply.

POSTON MILL PARK

We have:-

- 35 hard standing fully serviced touring pitches
- 10 grassed tent pitches with electric and water
- Holiday accommodation of a bungalow, cottage and static caravan.
- 115 privately owned static caravans.

Poston Mill Park is generally flat with good surfaces so use of outside space is available to physically disabled (i.e.: wheelchair users) and to partially disabled visitors.

There is Parking outside reception but there are, at present, no specifically allocated bays. There is a barrier with a number keypad for entrance to the Park. Assistance can be given if required

There are speed bumps on the access roads but these are clearly marked with contrasting paint. (There are no advance hazard markers for these.)

Reception

The entrance to reception is via a ramp with a wooden rail on the left.

The ramp is 1.5 metres wide and 1.3 metres long.

The surface of the ramp is non slip.

The door width is 75 cm.

Inside reception there is a table 75cm in height and a display table of 87cm.

Assistance for entry can be given if required

There is an intercom bell located to the right of the reception door at a height of 1.46 metres.

Touring Caravans

Since tourer caravans are not available to hire on the park, living accommodation is provided by customers in their own tourers and, therefore the extent of access facilities is incumbent upon themselves.

Pitches are allocated on booking and staff are happy to advise on the location and suitability for your requirements on enquiry.

Assistance with pitching on arrival is always available, please ask.

Most pitches have space for parking in front of/or along side your tourer. There are car parking areas within 50 metres of pitches.

All the hard standing pitches are fully serviced. The grass pitches have electric and water.

There are two chemical waste disposal points, within 50 metres of all pitches.

There are 4 dustbin areas all with receptacles to recycle within 50 metres of pitches, plus a separate recycling area.

Facility Building

This has recently been upgraded

Lighting is automatic in the blocks

Parking bay close by facility block, please ask for the location upon arrival.

Disabled /Family bathroom 1

Leisure Facilities

Riverside walk 5mm gravel

9 hole 'Pitch and Putt' on 7 acres grass

Children's play area - grassed

Dog exercise field – grass with a section gravelled path (Future plans to create a gravel path way around the dog field and pitch and putt field)

(All of the above can be accessed by wheel chair users – weather conditions permitting)

Wooden benches positioned in all fields, river walk and around the Park

Facilities for the Visually Impaired

It is anticipated that it is unlikely that visually impaired people will visit the park unless accompanied by a sighted person.

Facilities for the Hearing Impaired

The public telephone box in the vicinity of Reception has a hearing aid facility.

Otherwise there are no specific facilities on park.

Assistance Dogs

These are most welcome as are all dogs with responsible owners.

Large enclosed exercise field which is a 'free run' area.

Numerous 'doggie buckets' for cleaning up are provided all around the park.

Mobile Phones

Vodafone covers most of the park.

Orange calls may be sent / received from limited areas.

Reception is poor or non-existent for other networks.

The Mill Courtyard accessible from Poston Mill Park

THE MILL RESTAURANT

Adjacent to the Park, though run as a separate business, is a licensed restaurant.

There is a parking area at the front which although sloping is of an even tarmac surface.

The second level of the restaurant can be accessed from the rear of the property at a higher ground level via a ramp. Please inform us in reception or the Restaurant direct if you need this access.

Toilet facilities are on this second level and accessed in the same way.

The Ladies is wide enough for a wheelchair, the gents is narrower, neither have grab rails or designated cubicles and we advise customers to make use of the Main park facilities.

There is an outside level, heated sitting area approached via the entrance drive and a grass sloping path.

Menu 's are available in varying sizes of print but not in braille or audio format.

The Shop at Poston

There is a parking area alongside the shop which is slightly sloping but of an even tarmac.

Level entrance into the shop with a slight lip on the threshold.

The shop sells local produce and crafts along with some basic items related to caravan and Camping.

Bread, Milk Newspapers and other items can be ordered during opening hours or via Poston Mill Park reception 01981550225.

Shop opens March 1st to November 30th 8.30am to 11.30am. Items are available via reception at Poston Mill at other times.

There is a general stall in the village of Peterchurch 1 mile from the park along with a further Bar and restaurant/pub.
